2023 SPECIAL AWARDS

In addition to these projects receiving Awards or being Highly Commended, 6 Special Awards will be presented to schemes which demonstrate excellence in a specific field.

All projects of National/International winning standard are considered for each of the Special Awards by the National Judging Panel members who determine the individual winners.

- ◆ **National Panel Special Award** - Selected by National Judging Panel Members as their favourite scheme from the year's Award-winning projects.
- ◆ **Special Award for Sustainability** - Presented to a scheme that has demonstrated excellent sustainability credentials. Sponsored by Derwent London.
- ◆ **Special Award for Reuse & Adaptation** - Presented to a scheme that would otherwise be left to decay or be demolished to address present-day needs. Sponsored by EPR Architects.
- ◆ **Special Award for Community Impact & Engagement** - Presented to a scheme that has demonstrated how successful community engagement can help deliver the highest standards of design whilst meeting the needs of local people.
- ◆ **Michael Middleton Special Award** - Presented to a restoration project or new build within a conservation area.
- ◆ **Special Award for Transportation & Infrastructure** - Presented to a scheme that provides exceptional new or upgraded major infrastructure projects that have transformed the civic realm.
